Christmas Countdown Banner

24 flags to cut out and hang, one for each day from December 1 to December 24

1 **Print**
Print at Actual size or 100%. Pages 2 to 7 are in color. Pages 8 to 13 are the same flags as outlines to color in.

2 **Cut**
Cut each flag along its outer line. A grown-up should cut for younger children.

3 **Hang**
Tape the flags to a wall or door, or punch the two marked holes and thread them on string or ribbon. If you use string or ribbon, a grown-up hangs it high, out of children's reach.

4 **Count down**
The big number is the date in December. Each day, take down that day's flag or turn it over. Or color one flag a day and add it, so the banner grows until December 24.

Safety: keep string, ribbon and scissors away from young children. Pick up tape bits and hole-punch dots, which are small pieces.
